## 2022 ADJUSTMENTS

Foundation

**WRITTEN EXAMINATION**

Two sections do all questions

Section A (200 marks)

Contexts and Applications

- No choice
- Eight Questions x 25 marks
- 200 marks

Section B (100 marks)

Contexts and Applications

- No choice
- Two or three questions
- Marks per question may vary
- 100 marks

**WRITTEN EXAMINATION**

Two sections with limited choice in each section

Section A (210 marks)

Concepts and Skills

- Eight Questions x 30 marks
- Do seven questions
- 210 marks.

The questions in Section A of the paper will be similar in content and length to those that the candidates will be familiar with from previous years, but they will be required to attempt one less question.

Section B (90 marks)

Contexts and Applications

- Three questions x 45 marks
- Do two questions
- 90 marks.

In Section B, where candidates may choose to answer any 2 of the 3 questions presented, it is intended that the amount of material presented in each question will be reduced somewhat from what might be typically expected in a 45-mark question at this level.
